Now in its 43rd year, VEITHsymposium is the premier annual meeting where vascular specialists from all over the world come to meet and discuss the newest advancements in vascular interventions.

This year, we are proud to introduce the first VEITHsymposium Vascular Job Fair. The Job Fair is dedicated to bringing together the graduating vascular trainee and their potential employers right at the time that the trainees are looking for their first post-training position. The Job Fair will supply an environment for career counseling and easy interaction between vascular trainees and potential employers.

WHO SHOULD ATTEND:
- Graduating vascular fellows and residents in vascular surgery, interventional cardiology and interventional radiology
- Attending vascular specialists seeking new opportunity
- Potential employers of vascular specialists
- Wound care specialists
- Vascular career recruiters

Join us in New York City this November. Register online at: www.VEITHsymposium.org

Program Director: James F. McKinsey, MD

Sponsored by Cleveland Clinic
