FINDINGS

34 P4P Programs
14 Countries
“Has not yet lived up to expectations”

P4P
Incentive Systems are Flawed
By Jim Jones, MD, PhD, MHA

P4P
Nothing to Disclose

P4P
Fiduciary Practice
Patient’s interests Paramount!
Accountability for Outcomes
Accountability for Costs
Patient’s care Paramount!

P4P
JUSTICE in Medicine
To each according to what they need.

P4P
Quality is: the Cost of Value
Cost must always be Secondary

**P4P**

P4P Scorecard

Little or no improvement:

Utilization or outcomes.

Suggests:

Consider Components

Yaun, B 2017
P4P
Huge Numbers
Gap Between Black Patients
Improvement After P4P
“No Deleterious Effects”
AMI Getting CABG 13.6%
After P4P 10.6%
Epstein 2014

P4P
CMS is Considering:
A New Model to 90 days
Without Inclusion of
Risk-Adjusting the Data
Even More Ethical Problems
Fry 2018
